

Platform Systems Console

Designed and purpose-built to support a diverse range of defence platform systems.

- Designed collaboratively with Primes and System Integrators, to provide solutions that meet specific project demands.
- Engineered for total Through-Life Support (TLS) in mind, with a modular structure that reduces ownership costs and supports future technology upgrades and obsolescence.
- Ergonomic human factor design using lightweight construction materials.
- Modular form factor allows upgrades by individual modules as needed.
- Certified EMC protection to MIL-STD's.
- Vibration and shock certified.
- Available as powder-coated zinc coated steel, aluminium or 316 stainless steel.

 Made in AUSTRALIA
